ABOUT DR. BA MTHETHWA COLLEGE

Dr. BA MTHETHWA COLLEGE is comprised of former vocationally focused training providers to form an entity that is now Dr. BA MTHETHWA COLLEGE today.

Dr. BA Mthethwa College students are guaranteed that all full qualifications have met national quality assurance standards. In addition, Dr. BA Mthethwa College students are able to access a wide range of short learning programmes for working adults that are designed to ensure specific workplace skills are developed.

The skills gained can be applied immediately in the student's current working environment.

Dr. BA Mthethwa College prides itself on its small interactive classes, courses that are integrated with work experience, secure and socially interactive environment, and careful attention to the social well-being of its students.

We ensure that our students become employable, embrace diversity, are innovative and entrepreneurial, uphold high ethical standards, and possess work readiness and generic and analytical skills.
